R O C No. 2922 D/22

Station Madras, *Dated the* 14th March 1923 192

From (Name) R. G. Grieve Esquire, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to state that the President, District Board, South Kanara, forwarded proposals for opening a manual training class in carpentry in the Board High School, Coondapur. The District Board approved of the opening of the class and it was recommended by the District Educational Officer.

2. The President now states that since submitting the proposal he has learnt that accommodation is not available in the school for opening a carpentry class and requests that a vocational class in Soap-making be opened in the school unless Government are pleased to bear the entire

xpenditure of the manual training scheme which including the ost of putting up a shed is Rs. 3114 non-recurring and Rs. 1010 e. ..... recurring.

"hile the President has not furnished the resolution of the istrict Board approving the introduction of soap-making in the chool. it is I do not consider a proper subject for introduction n the school as the industry requires a large outlay which beyond he reach of the average boy and as the subject is more suited to rade or industrial school than to a secondary school.

4/ The District Educational Officer considers that carpentry ight more advantageously be introduced and with him I agree, rovided the Board meet half of the non-recurring and recurring harges of the scheme. As the financial position of the District Board as judged from its Administration Report for 1921-22 seems o be satisfactory I recommend that the scheme may be dropped s the Board is not prepared to meet any of the expenditure.

I have the honour to be,

Sir,

Your most obedient servant,

DESPATCHED
17 MAR 1923

for Director of Public Instruction.
